Dear Maarten,

Thank you for your message. We are glad that you appreciate the songs of Taizé; and your video is very well done. We do not in fact normally give permission for including the songs of Taizé as background in videos, unless there is a special connection with Taizé. However, I think in your case we can make an exception: you may include this song, free of charge.

The full credit for the music should read (translated into Dutch):

Nada te turbe

Song from Taizé, from the album [title of the album from which you have taken the song]. Music: Jacques Berthier (1923-1994)

With best wishes,

Brother Jean-Marc

Dear people,

I would like to ask permission to use one of your beautiful recordings in a movie I created about our church.

We are planning a new website, centered around the Pastor of Ars church here in The Hague in the Netherlands.

To give people an impression, I created a short movie. And "Nada te turbe" sounds wonderful; take a pause and realize that nothing can stand between you and God.

I share the link to the movie, you are the first ones to see it, outside of my

family: <https://mvdbiezen.wistia.com/medias/rifkn82hwr>.

I can display a copyright notice or something that you like at the end.

Thank you for your consideration.

Kind regards,

Maarten
